

So - Here's How it Works:

SIMPLY UNZIP..

the opening at the end of the mat & remove the zoom around the room @ NIP package. CAUTION: Watch your back; may attract swarms of low-flying kitties.

SPRINKLE...

a bit of the nip inside the mat. How much? you ask. It's totally up to you but why not start out with about 2 Table-Spoons for the 1st time. Crank it up as needed. Your kitty may decide to watch from the vantage point of your head.

SHAKE IT UP..

baby, To spread the nip. Now place your totally HIGH-TEST mat on de' floor & step back. Captain... it's time to Boogie!
